

Going Deeper – November 2022

Dear Friends,

Welcome to the November edition of Going Deeper. Thank you for your prayers and support for our partners. It is greatly appreciated.

Australia

Indigenous Ministries Australia (IMA), Remy and Theresa Sese, Nick Wight

Praise God:

- Through Zoom meetings we are reaching our people and our nation with prayer nights and teaching and training nights. (Ngaama Ministry, WA)
- Leadership is desiring and seeing changes and growth to take place in the church. (Bunbury, WA)

Pray For:

- As we come to the last school term and end of the year, pray for the different programs and that we complete all the goals set for the last eight months. (Morrditj Keila, WA)
- That God will raise a women's fellowship group in the town. (Norseman, WA)
- Uncle Frank Wanganeen, who leads city IMA tours. (Adelaide, SA)

Fiji

Fiji Community Churches of Christ, David Reddy

Praise God:

- We baptized two new members just last week. It was a blessing to see them accept Christ and make the decision to commit their lives to Him.
- We've started a weekly worship service on Fridays and a fasting and prayer service on Wednesdays. The members are committed to attending. It's inspiring to see many of them growing in those aspects of their lives.

Pray For:

- Our church is renting and so the building contract will be expiring February next year. Please pray for God to lead us to another place that will be more beneficial for the church.
- Please pray for Sarika. She is a young woman who I started praying for because of her health issues. Please pray that as God's word is shared to her, her faith will increase, and she will come to love and accept Jesus as her personal Lord and Saviour.

Praise God:

- Paulino recently preached at Malekalel Church of Christ, with 23 new people accepting the offer to follow Jesus! We join with our South Sudanese churches in celebration.
- Students are reporting a good learning experience at Aweil Bible College.

Pray For:

- An uncle of Paulino's family passed away last week. Pray for comfort during this time of grief.
- Due to this year's heavy flooding, please pray for the health of our local Church of Christ schools and community schools under our care. Pray for the flood victims in all counties so that God will restore new lives for them.

Thailand

Churches of Christ Thailand (CCT) and Social Development and Services Unit (SDSU), Tewin Somchit

Pray For:

- Thailand has experienced extra harsh seasonal flooding across the country. Pray for those affected by flooding. For the situation to ease soon and for families to receive the help they need to re-establish themselves.
- Families and the whole community that have lost loved ones in the tragic shooting/killing and injuring of children and staff at a local nursery school. Please pray for them during this time of loss and sorrow as they cope with their grief.
- SDSU preparations/forward planning for the Christmas social support programme: Little Angels Project.
- The SDSU meetings for planning 2023 will be held during November. Through prayer, and with God's wisdom and guidance, the team will be able to review challenges, successes, and plan to move into 2023 in a successful manner.
