## How to run a Great Gifts stall

By running a Great Gifts stall, your church can contribute to GMP's life-changing projects all over the world. This guide gives you all the information you'll need to hold a Great Gifts stall that brings real change!

---

---

## Step One: Organise your team.

Get a team together from your church community that will help you run your Great Gifts stall. It's a great idea to pray together for your stall, as well as the projects you're supporting.

---

---

## Step Two: Choose your gifts

Select the gifts from the catalogue that you think your church community would like to support. You might like to choose gifts going to a certain country, or supporting a particular area, such as education, livelihoods or health. Maybe you want a variety of different gifts. If you aren't sure, give us a call; we'd love to help you choose. Once you have chosen your gifts, contact the GMP office and order your gift cards and order forms.

---

---

## Step Three: Promote your stall

Let people know about your Great Gifts stall, and how they can get involved. You might like to put something in your church newsletter, or share about it at your church. You can download posters, flyers, or adverts to help promote your stall from the resources section of our website. We recommend starting to promote your stall at least 2 weeks before you run it for the first time.

---

---

## Step Four: Run your stall

Set up your stall and start selling! You can display the Great Gift cards, and have catalogues available from your stall. As you sell the great gifts, make sure each person fills in an order form, and takes their gift card. Also, don't forget to organise a float with change!

## Step Five: Real Impact!

Add up the money raised and reconcile the number of cards received with the cards sold. Send the money, the tear-off Great Gift Order Forms (which include donor details and purchases) and any spare gift cards back to GMP, and you're done! Your gift will bring real change to people around the world. Don't forget to let your congregation know how much they've raised and how they are bringing real change!

We'd also love to see photos of your stall! Send us an email, and let us know how your congregation has changed lives.
