Principal activities and significant changes in nature of activities

The principal activities of the Group during the financial year was serving the Churches of Christ congregation's commitment to Global Mission and enabling the local church's participation in God's mission in the world.

There were no significant changes in the nature of the Group's principal activities during the financial year.

Operating result

For the financial year, the Group recorded a surplus of \$98,881. and we remain encouraged by the continued generosity of our supporters towards our mission. Despite the significant challenges posed by the cost-of-living crisis and broader economic uncertainty, we are pleased to report a 6% increase in donations—an uplifting testament to the strength of our Churches of Christ community. We extend our sincere gratitude to our long-standing supporters, whose unwavering commitment remains essential to our mission.

Total revenue for the financial year decreased by 6% compared to the previous year, primarily due to a reduction in bequests and legacies. As these contributions are inherently unpredictable and can vary significantly from year to year, they continue to influence our financial outcomes. We remain deeply grateful for these generous gifts, which play a meaningful role in supporting our long-term mission whenever they are received.

On the expenditure side, the Group achieved a 3.5% decrease in total costs, reflecting our ongoing commitment to managing resources efficiently across all areas.

The Group continues to carry the liability of the National Redress Scheme on behalf of the Council for Churches of Christ in Australia. The Directors remain confident in the Group's ability to meet the required payments, supported by the clear and ongoing commitment of the State Conferences of Churches of Christ in Australia. This obligation is held by GMP on behalf of Churches of Christ as a whole and is not reflective of the Group's own operations. An interest-free payment plan has been established with the National Redress Scheme, and the Directors acknowledge and appreciate the collective support from Churches of Christ State Conference's in meeting this responsibility.

Segment financial performance reflected mixed outcomes:

- International Church Partnership (ICP) recorded a deficit of \$(104,643), primarily due to a decline in bequests and legacies.
- Churches of Christ Overseas Aid (COCOA) reported a deficit of \$(528,637), stemming from reduced grant income and lower bequests and legacies.
- Indigenous Ministries Australia (IMA) achieved a surplus of \$862,411, attributable to a one-off property
 contribution. This non-recurring item, provided for ministry purposes, will be applied in accordance with donor
 intent to support IMA's ongoing activities.

These reported losses have been offset by our Reserve Funds and are in line with our 2030 Strategic Plan.

Despite the fundraising challenges faced, the Group recorded an increase in donations, enabling us to continue supporting and growing partner programs. We remain deeply grateful for the steadfast commitment of our donors and stakeholders, whose generosity ensures that life-giving partnerships are sustained and are creating meaningful impact across the communities we serve.

Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Group, the results of those operations or the state of affairs of the Group in future financial years.

Notes to the Financial Statements

For the Year Ended 30 June 2025

General Information

The financial report covers Australian Churches of Christ Global Mission Partners Ltd and its controlled entities ('the Group'). Australian Churches of Christ Global Mission Partners Ltd is a not-for-profit Company, registered and domiciled in Australia.

The principal activities of the Company for the year ended 30 June 2025 was serving the Churches of Christ congregations commitment to Global Mission and enabling the local church's participation in God's mission in the world.

The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures, the Australian Council for International Development (ACFID) Code of Conduct and the Australian Charities and Not-for-profits Commission Act 2012.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information relating to the preparation of these financial statements are presented below, and are consistent with prior reporting periods unless otherwise stated.

Comparatives are consistent with prior years, unless otherwise stated.

1 Material Accounting Policy Information

(a) Basis for consolidation

The consolidated financial statements include the financial position and performance of controlled entities from the date on which control is obtained until the date that control is lost.

Controlled entities are all entities over which the parent has control. Control is established when the parent is exposed to, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities from the entity.

Intragroup assets, liabilities, equity, income, expenses and cashflows relating to transactions between entities in the consolidated entity have been eliminated in full for the purpose of these financial statements.

Appropriate adjustments have been made to a controlled entity's financial position, performance and cash flows where the accounting policies used by that entity were different from those adopted by the consolidated entity. All controlled entities have the same financial year end as the parent.

A list of controlled entities is contained in Note 23 to the financial statements.

(b) Revenue and other income

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of control of promised goods or services to customers at an amount that reflects the consideration the Group expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Group have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Group are:

Grants, donations and bequests

When the Group receives grants, donations and bequests it assesses whether a contract exists and whether that contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15. When the conditions are satisfied the Group:

- identifies each performance obligation relating to the grant.
- recognises a contract liability for its obligation under the contract; and
- recognises revenue as it satisfies its performance obligations.

When the contract is not enforceable or does not have sufficient specific performance obligations, the grant or donation is recognised immediately in profit or loss.

Contribution income

Contribution income from state conferences is recognised on receipt.

Interest income

Interest income is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

ABN: 30 455 408 814

Notes to the Financial Statements

For the Year Ended 30 June 2025

1 Material Accounting Policy Information

(b) Revenue and other income

Dividend and distribution income

The Group recognises dividends and distributions in profit or loss only when the Group's right to receive payment of the dividend or distribution is established.

Other income

Other income is recognised when the right to receive the revenue has been established.

(c) Income tax

The Group is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*. The Group is a registered charity under the *Australian Charities and Not-for-profits Commission Act 2012*.

(d) Volunteer services

No amounts are included in the financial statements for services donated by volunteers.

(e) Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Land and buildings are measured using the cost model.

Plant and equipment

Plant and equipment are measured using the cost model.

ABN: 30 455 408 814

Notes to the Financial Statements

For the Year Ended 30 June 2025

1 Material Accounting Policy Information

(e) Property, plant and equipment

Depreciation

Plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Group, commencing when the asset is ready for use.

Land and buildings are not depreciated as the assessed value of the asset resides entirely in the underlying land, which has an indefinite useful life.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Furniture, Fixtures and Fittings	33%
Motor Vehicles	25%
Office Equipment	33%
Computer Software	40%
Leasehold improvements	20%

(f) Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

Assets classified as held for sale are not amortised or depreciated.

Non-current assets classified as held for sale and any associated liabilities are presented separately in the consolidated statement of financial position.

(g) Financial instruments

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

ABN: 30 455 408 814

Notes to the Financial Statements

For the Year Ended 30 June 2025

1 Material Accounting Policy Information

(g) Financial instruments

Financial assets

Classification

On initial recognition, the Group classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss FVTPL

Amortised cost

The Group's financial assets measured at amortised cost comprise trade and other receivables, term deposits and cash and cash equivalents in the consolidated statement of financial position.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income, are recognised in profit or loss.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Group renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Financial liabilities

The financial liabilities of the Group comprise trade payables, bank and other loans and lease liabilities.

ABN: 30 455 408 814

Notes to the Financial Statements

For the Year Ended 30 June 2025

1 Material Accounting Policy Information

(h) Impairment of non-financial assets

At the end of each reporting period the Group determines whether there is evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

(i) Employee benefits

Provision is made for the Group's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Changes in the measurement of the liability are recognised in profit or loss.

(j) Going concern

Notwithstanding the Group's deficiency in accumulated funds, the financial report has been prepared on the going concern basis. The Directors have concluded that there are reasonable grounds to believe that the Group will be able to pay its debts when they fall due based on the following:

- The Group has total net assets of \$3,690,209 for the year ended 30 June 2025.
- Restricted funds are donations and bequests set aside for specific purposes. However, the Group has the discretion to
 use these funds to ensure that the Group continue to operates as a going concern.
- The land and buildings are measured using the cost model. The Directors believe that the fair value of the land and buildings are at least \$4 million as at year end.

ABN: 30 455 408 814

Notes to the Financial Statements

For the Year Ended 30 June 2025

2 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - impairment of property, plant and equipment

The Group assesses impairment at the end of each reporting period by evaluating conditions specific to the Group that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - Performance obligations under AASB 15

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. The Directors exercise judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature/type, cost/value, quantity and the period of transfer related to the goods or services promised.

The non-current asset held for sale relates to the property at Carlton, Victoria and Sinclair, Western Australia. The Group is in the process of selling these properties within the next 12 months.

9 Leases

The Group leases land and buildings for its corporate offices in the states of South Australia, New South Wales and Victoria. The leases are short term leases with terms of 12 months or less. The Group also leases a printer which is a low value lease. Therefore, lease expenses are recognised as an expense in profit or loss and no lease liability or right of use asset is recognised.

20 Contingent Liabilities

As at 30 June 2025, the Group is aware of a contingent liability arising from legal claims associated with the activities of Australian Churches of Christ Indigenous Ministries Inc.. These claims relate to historical matters and are currently subject to legal action, which will be determined by the Court.

The Group has assessed the likelihood of an outflow of economic resources in relation to these claims as a remote possibility. Accordingly, no provision has been recognised in the financial statements.

The Group will continue to monitor developments and will reassess its position as further information becomes available.

Independent Audit Report to the members of Australian Churches of Christ Global Mission Partners Ltd

Report on the Audit of the Financial Report

Opinion

We have audited the ACFID code compliant financial report of Australian Churches of Christ Global Mission Partners Ltd, the (Registered Entity) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 30 June 2025, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

In our opinion the ACFID code compliant financial report of Australian Churches of Christ Global Mission Partners Ltd has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2025 and of its financial performance for the year ended;
- (ii) complying with Australian Accounting Standards Simplified Disclosures and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2022.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independent Audit Report to the members of Australian Churches of Christ Global Mission Partners Ltd

Responsibilities of Responsible Entities for the Financial Report

The responsible persons of the Group are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Simplified Disclosures and the ACNC Act, and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible persons are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit
 procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

20 Albert St, Blackburn VIC 3130

Independent Audit Report to the members of Australian Churches of Christ Global Mission Partners Ltd

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
